Friday 31<sup>st</sup> January 2025

Dear Parent/Carers,

A huge well done to Tess, Sasha, Daisy, Niamh, Clem, Ffion and Lenny for their phenomenal performance in the girls' football tournament last week. They were fantastic ambassadors for the school and demonstrated all of our school values with determination and a positive attitude. Their sportsmanship was admirable and they were recognised for shaking the hands of all other players and congratulating one another on their performance. Well done girls, we are incredibly proud of you!

Worship Leaders have been busy this term planning and resourcing the reflection areas. Earlier this week, they delivered an excellent Collective Worship about spirituality and shared how the new resources can help children during 'ow', 'wow' and 'now' moments. Take a look at some of the resources they shared below. Next term, they are looking forward to inviting parents in to see these too!

Well done to everyone who took place in the Public Speaking House Competition. You demonstrated courage and it was lovely to see you all talk about topics you are so passionate about. Three semi-finalists were selected from each house and they will perform their public speaking to you tomorrow afternoon during our Celebration Worship.

Please note that Parents' Evening is scheduled for Monday 10<sup>th</sup> and Tuesday 11<sup>th</sup> February. Further information will be shared with you in due course about signing up to meetings.

Have a wonderful weekend,

Best wishes,

Miss Thomas

### Worship Leaders

Worship Leaders have been busy organising the new resources for the reflection areas.

#### Letting go of 'Ow' moments

Sometimes we can feel weighed down by our worries. Some worries just slow us down, but some worries can stop us enjoying the good things in our lives. Take a piece of paper and write or draw the thing that is causing you to worry or feel stressed. How would you feel to let go of this worry?

**When you're ready, let go of the worry by putting it into the shredder and turning the handle.**

As you do this, imagine these worries disappearing. Many people find it helpful to talk to someone about their worries, and some people find it helpful to pray and talk to God.

#### Thankful

Gratitude, being thankful for what we have, has been shown to help people feel happier and more positive about life.

What are you thankful for?

Who are you thankful for?

What do you have that some other people can only hope for?

Write what you're thankful for on one of the heart shaped post-it notes.
