The Music Work- Studio Visit

Dear Parent/ Carer,

We are delighted to inform you that our school has been participating in 'The Voice Collective' programme delivered by The Music Works, Gloucestershire. All of the children have worked extremely hard to produce our new school song- it sounds fantastic and truly encompasses our school vision and values! The children have written lyrics and produced the musical accompaniment for the song; we are so excited to share it with you and the rest of the school community very soon!

Part of this programme involves a video recording of the song. This will take place in school and part of the recording will take place in the studio (a small group of pupils will attend this part). The recording is scheduled to take place during the week beginning Monday 20th May.

Please could you complete the details below to share/ withdraw consent for your child to feature in this music video. This video will feature on our school website and other public forums including; The Diocese of Gloucester newsletter, DGAT newsletter and our school social media page (Facebook). If we do not receive the consent slip below back, unfortunately, your child will not be able to feature in the video. Please return the slip below by Wednesday 8th May 2024.

If you have any further questions, please do not hesitate to contact me.

Best wishes,

J. Thomas
